Glenbard South pair to learn inner workings of government

Congratulations to Glenbard South High School juniors Tony Villasenor and Tyler Sandquist, who will represent their school at Illinois Boys State at Eastern Illinois University in Charleston.

Participants in Boys State, which is sponsored by the American Legion, learn about state and local government, the political system, voting, and patriotism. From Saturday, June 10, through Friday, June 16, they will create the government and operation of a mythical 51st state of the union.

Villasenor and Sandquist are among 750 students who are selected each year to represent their high school and communities as delegates to Illinois Boys State.

Glen Ellyn American Legion Post 3 provided their scholarships for this opportunity.

Nine \$1,000 scholarships are available at the end of the week.
